JOIN US! RIBBON CUTTING

BLOOMFIELD TO TARIFFVILLE MULTI-USE TRAIL

The East Coast Greenway is a 3,000-mile multi-use trail that spans from Maine to Florida constructed for activities like biking, walking, and running. Connecticut is home to 200 miles of the trail, 104 of which are protected and separate from the road. Join us for a ribbon cutting for the recently-completed 1-mile portion connecting Bloomfield to Tariffville.

Sponsored by the Town of Simsbury and the Town of Bloomfield
