## Simsbury Bike to Work Day Group Rides to Hartford

### Attention Simsbury-Granby-Tariffville-Bloomfield Cyclists

Join Simsbury residents and regular bike commuters from the Farmington Valley on Tuesday May 14 to ride from Simsbury to the Greater Hartford Bike to Work Day Celebration at the Old State House in Hartford. Two routes and multiple meetup locations are planned.

All riders must be able to ride 15-18 miles and be comfortable riding in a group and in traffic. Ride leaders are experienced bike commuters who ride these routes regularly. Retirees and cyclists who work from home are welcome to join the ride and make a return trip after coffee.

Meet 6:15am at Iron Horse Park & Ride in Simsbury. One group will ride up through Tariffville and take the multi-use trail to pick up other riders at Old St. Andrews Church in Bloomfield before riding into Hartford mostly on Rt. 189. The other group will ride to Winslow Place Park & Ride in Weatogue to pick up more riders, and then take Rt. 185 over Talcott Mountain. Both groups will join up at the JCC on Route 185/Simsbury Rd in West Hartford just north & west of University of Hartford.

We'll have a group photo for all members in front of the Old State House at the Bike to Work Celebration. Cyclists can also skip the festivities and head straight to work as needed.

We'll be safe and respectful of each other and car traffic on the rides, and review key rules and expectations before we head out.
