

# Help Wanted!

## Simsbury Pedestrian and Bicycle Master Plan

The Town of Simsbury is beginning the process of developing a *Pedestrian and Bicycle Master Plan*. The plan will establish both short and long term goals to improve upon the Town's pedestrian and bicycling planning and infrastructure. It will also develop recommendations to improve walking and bicycling facilities with a focus on implementing a complete streets model in Simsbury.

Would you like to help guide the planning process and develop recommendations for improvements?

Here's what you need to know:

**Who:** Residents, business owners, advocates, and others who are interested in participating on an Advisory Committee

**What:** Attend and participate in three evening meetings

**Where:** Simsbury Public Library

**When:** September 2017, November 2017, and January 2018

**How:** Contact Director of Public Works, Tom Roy, at

**[troy@simsbury-ct.gov](mailto:troy@simsbury-ct.gov)** to participate
